For Immediate Release

SBS Holdings, Inc.

Conclusion of Official Partnership Agreement with Ricoh Black Rams Tokyo

SBS Holdings, Inc. (President: Masahiko Kamata, Head office: Sumida-ku, Tokyo; hereinafter "SBS Holdings") is pleased to announce that it signed an official partnership agreement with Ricoh Black Rams Tokyo, which will participate in JAPAN RUGBY LEAGUE ONE, the new rugby league to be opened in January 2022.

Under this partnership, Ricoh Black Rams Tokyo and SBS Holdings will jointly seek to develop initiatives to bring emotions and courage to many people through a range of activities with the aim of maximizing rugby's value and of accomplishing the team mission, "Be a Movement."

Moreover, in JAPAN RUGBY LEAGUE ONE, the new rugby league to be opened in January 2022, the team players will wear the official game jerseys with the "SBS Group" logo inserted under the uniform number.

Masahiko Kamata, the representative of SBS Group, made the following comment. "Together with Ricoh Co., Ltd., we have been forming very close business tie-ups, for instance with SBS Ricoh Logistics Co., Ltd. joining SBS Group in 2018. We are happy that, from this season onward, the SBS logo will be displayed on the Black Rams Tokyo's jerseys and we will be fighting on the same team as the players. We will join them in rolling up our sleeves ahead of this season."

SBS Group has consistently provided support for fostering human resources, for instance through developing and offering seminars at universities and via the SBS Kamata Foundation. Through sports sponsorship, the Group will help young people make their dreams come true and seek to live more in harmony with society.

Business description :

Folofly Inc. is a venture company that develops and distributes fabless manufacturing electric vehicles. As conformity with the standards on safety of road transportation was approved by the Kinki District Transport Bureau of the Ministry of Land, Infrastructure, Transport and Tourism on October 1, 2021, the company became the first Japanese manufacturer to receive a license plate for foreign-made (fabless manufacturing) one-ton electric vehicles for home delivery. Through joint development with Japanese as well as overseas automobile manufacturers and with parts suppliers, the company develops electric vehicles to meet market needs.
