

Indonesian Logistics Company PT TANGGUH JAYA PRATAMA Joins the SBS Group

SBS Holdings, Inc. (Head Office: Shinjuku-ku, Tokyo; President: Masahiko Kamata) hereby announces that on February 28, 2025, it acquired a 77% stake in PT TANGGUH JAYA PRATAMA (hereinafter, “TJP”), headquartered in Jakarta, Indonesia, welcoming TJP into the SBS Group.

TJP is one of the four companies that make up the TANGGUH Group, which provides logistics services in Indonesia. TJP is mainly engaged in the middle and last-mile trucking business and has many domestic and foreign clients, including Japanese companies.

Having set “strengthening international logistics” as a key issue in our mid-term management plan SBS Next Stage 2025, which wraps up this year, and with the aim of expanding the SBS Group’s global network, we decided to collaborate with a local company with a proven track record in the rapidly growing Indonesian market.

Signing Ceremony

By making TJP one of the SBS Group companies, we expect to acquire forwarding business from existing TANGGUH Group customers while taking advantage of SBS’s existing resources and network advantages. As a result, the SBS Group will be able to further strengthen its support for global logistics supply chains and provide optimal logistics services to customers.
